

Minutes of the meeting of the Screening Committee held on 29-30.12.2010 to consider the fresh project proposals under the Scheme of the Integrated Programme for Older Persons (IPOP)

The meeting of the Screening Committee to consider fresh proposals under the Scheme of the Integrated Programme for Older Persons (IPOP) was held as per the schedule on 29-30 December 2010. The meeting was held under the Chairmanship of Shri M.S Seetharaman, Joint Secretary (SD), Ministry of Social Justice & Empowerment in Room No. 612, Shastri Bhawan, New Delhi. Shri M.M. 2. At the outset, the Committee was informed about the budget allocation for 2010-11 and the notional allocation fixed for the States/UTs for 2010-11, committed liability for funding existing ongoing proposals and number of new proposals already recommended by the Screening Committee in the earlier meetings which still remained valid in the current year. The Committee was also informed that as per the policy decision contained in the Ministry's Office Order No.1-31/2006-Cdn. dated 05.09.2008, recommendations of the State GIA committee for new projects remain valid for the financial year following the year in which they were received and recommendations of the Screening Committee within the Ministry remain valid for one year following the year in which they are recommended. However, recommendations of the State/UT Governments along with inspection reports for the current year are required for releasing of grant to any new proposal under the Scheme. The Committee was further informed that there are certain cases which were recommended by the Screening Committee in its meeting held on 17.11.2008 which could not be considered by the Screening Committee in its meeting held on 27.10.2009 but their validity of the Screening Committee recommendation had already expired.

3. Keeping the above in view, the Committee considered afresh and recommended the proposals for 2010-11 received as on 30.12.2010 which were recommended in the earlier meeting of the Screening Committee held on 17.11.2008 as their validity has already expired. Details of such cases are given in **Appendix**. The Committee further decided to consider fresh proposals for 2010-11 duly recommended by the State level Grant-in-aid Committee received after the last Screening Committee meeting i.e. 30-31 August 2010 up to the date of the Screening Committee meeting. The Committee further decided to give priority to un-served and under-served districts/areas and to innovative projects in the revised Scheme w.e.f 1.4.2008.

4. A total of 300 new proposals for 2010-11 received between the last Screening Committee meeting and up to the date of present Screening Committee meeting were presented before the Committee for consideration.
